Alexandria, VA 22313-1450

**INFORMATION DISCLOSURE STATEMENT**

**UNDER 37 CFR § 1.97(d)(2)**

Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to applicant in order to comply with applicant's duty of disclosure pursuant to 37 CFR 1.56. Copies of the listed documents are being submitted to comply with the provisions of 37 CFR 1.97-1.98.

Canadian Patent No. 2,060,594 was previously submitted on a Form PTO-1449 on August 15, 2002. On the prior PTO-1449 form, the Examiner wrote that "there is no reference that Canadian is (sic) 2,060,594." Applicant believes that Canadian Patent No. 2,060,594 exists and is resubmitting a copy of the reference. Furthermore, Applicant has provided copies of the Supplementary European Search Report and the Annex to the European Search Report, both of

which list Canadian Patent No. 2,060,594 as a cited reference. Applicant respectfully requests that the Examiner put his initials next to the Canadian reference on the PTO-1449 form, indicating that the reference has been considered.

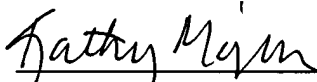

The submission of any document herewith, is not intended as an admission that such document constitutes prior art against the claims of the present application. Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

The fee under 37 CFR 1.17(p) of \$180.00 is enclosed. The Commissioner is hereby authorized to charge any additional fee in connection with the submission of an Information Disclosure Statement to Account No. 10-0440. A duplicate copy of this petition is enclosed.

Applicant respectfully request that the attached Information Disclosure Statement and references be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO-1449 be returned in accordance with MPEP Sec. 609.

Respectfully submitted,

June 13, 2003  
Date
